Call for Speakers and Sessions

I am pleased to announce the official Application Workshop on TEIN3 Network 2010 Call for Speakers and Sessions. We are looking for the best sessions and speakers for Global Cultural Ring in Asia-Pacific. Whether you are an experienced speaker or a beginner, this is your chance to participate in the community and share your knowledge with others!

The goal of the Global Cultural Ring is to establish a global collaborative structure for mutual exchange of culture and art between countries through the convergence of traditional culture and new high performance network technology and to enhance the traditional cultural content by sharing experiences between countries via new technologies and infrastructures as TEIN3, improving collaboration and understanding between them.

If you have an idea for a session/presentation that you'd like to tell us about, or a unique introduction of your performing arts that you'd be interested in sharing with others, we'd love to hear from you! Submit your sessions/presentations by September 10th to be considered as a presenter.

Please complete the following form and return it to mgtech@kaist.ac.kr with the subject line: [TEIN3 Workshop]
